**Foot** - End of a line farthest away from Caller.

**Corner** - Lady on Gent's left, Gent on Lady's right.

**Opposite** - Dancer directly opposite (In Introduction, Chorus and Ending of the Honor Your Partner Dance Opposite refers to the Lady the Gents have at that moment for the Swing or Do-si-do).

**Partner** - Lady on Gent's right. Gent on Lady's left.

**Honor** - Partners, or those designated by Caller, face- Ladies Curtsy, Gents Bow.

**Swing** - Partners face. Gents take one step to the center and walk alongside Lady. Take a regular dance arm position, leaning back a bit so as to obtain leverage. With a slight pivot step on the ball of the right foot keep shoving around on the left as if on a scooter.

**Allemande Left:**  
Dancers face their corners and turn by the left forearm (pictured to the left). Releasing arm holds and stepping forward, each dancer ends facing his partner.

**Forward & Back** - Three steps forward. Honor, and back to position.
