

## Hepzibah House Program Rules

Hepzibah House is a Christian, faith-based, 12 to 18 month program for women sincerely seeking to leave the life.

Residents are not required to have personal faith in Jesus Christ, but they must not be antagonistic towards that faith and be willing to participate in meetings incorporated into the HH program.

New residents will lose access to their phones for an unspecified length of time and have their personal belongings searched and inventoried prior to admission.

New residents must attend all arranged orientation, mentoring and counseling sessions provided through the HH program.

Residents will work collaboratively to maintain the home, be responsible for personal hygiene and belongings, maintaining all neatly and responsibly.

Residents will collaborate with HH staff to develop personal goals for the duration of the program.

There will be no drugs, no alcohol, no weapons, no unauthorized guests, no smoking on HH property.

Residents will be allowed family visits after 90 days.

I have read, understand and agree to abide by the Hepzibah House program rules. I understand that failure to comply with the rules will result in my immediate dismissal from the residence.
