### **Benefitting Hepzibah House's Restoration Program**

Hepzibah House is a local faith-based multi-faceted residential treatment facility for women freed from human trafficking and commercial sexual exploitation. Our mission is the recovery, restoration and release from the nightmare of human trafficking, by redeeming their stolen lives and dignity through the love of God. We currently provide shelter, clothing, food, mental health counseling, trauma therapy, career counseling, referral services, and practical support for survivors. We also are engaged in awareness efforts regarding human trafficking in Palm Beach County.
